The City of Toronto has partnered with the Toronto Region Board of Trade to provide **free COVID-19 rapid screening kits to help small and medium-sized businesses of 150 or fewer employees safely reopen.**

Use of rapid screening kits by employees of small- and medium-sized businesses can help identify asymptomatic cases of COVID-19 in the workplace, thereby reducing the spread of COVID-19 in those workplaces, at home and in the community.

Eligible businesses can [order an initial four-week supply of testing kits online](#) and book a time slot for pickup at one of the following four locations:

- Etobicoke Civic Centre, 399 The West Mall
- North York Civic Centre, 5100 Yonge St.
- Scarborough Civic Centre, 150 Borough Dr.
- Fort York Visitor Centre, 250 Fort York Blvd.

For businesses with over 150 employees, please order directly from the [Ontario government portal](#).

If you have any questions, please email rapidscreening@bot.com.
