Postponement of Special Members Meeting

Dear Members,

I hope this message finds you well. We are writing to inform you that our upcoming meeting scheduled for this Wednesday, January 29th has been postponed.

This decision was made due to ongoing audits of the organization by external third parties. Based on advice from the BPPA's legal counsel, the Board has concluded that it's in the BBPA's best interest to reschedule the meeting to a later date to ensure all relevant information is available and any outstanding matters can be addressed effectively.

We appreciate your understanding and flexibility as we navigate this process. We will provide you with the new meeting date and details as soon as they are confirmed.

Thank you for your continued support.

Sincerely,
The Board of Directors
